Time for a catch up now that we are all in the middle of a busy 2024 immunisation season. Let's have a look at Immunisation rates, RSV Program update, AEFIs and other topics! We need to keep our immunisation rates high to protect our communities! Welcome to all new nurse immunisers and those who have been protecting their communities for years.

**Join us for a comprehensive 2024 Immunisation update session from the HNE LHD Population Health Unit.**

## OVERVIEW

The education session will be presented by Hunter New England Population Health Unit and will provide important information regarding the following:

- Influenza 2024
- Adverse Event Following Immunisation
- RSV Program update JHCH Vaccination clinic
- What's NEW and exciting!
- AIR & Overdue follow-up
- Q & A session
