Join us for our 12th Health in Difference Conference, the premier LGBTI health gathering where we strive for an inclusive platform for dialogue and collaboration aimed at advancing the health and wellbeing of LGBTIQ+ communities. "Fostering Collaboration to Advance the Health and Wellbeing of LGBTIQ+ People," will serve as an important opportunity for healthcare professionals, activists, policymakers and community members alike to learn and share. Expect insightful discussions, engaging workshops, and presentations from experts in the field as we explore innovative strategies, address disparities, and work towards a healthier and more equitable future for all members of the diverse LGBTIQ+ community.
