

# 2021 Updates in Weight Loss Management and co-morbidities in ENT and Cardiology.

**WHEN** Thursday, March 25th 2021  
6:00 PM – 9:00 PM

**WHERE** Australia

**COST** Free

This GP education event will inform delegates about Bariatric surgery options for obesity management and provide information relation to the co-morbidity concerns of Sleep Apnoea and Cardiac Arrhythmias, in regard to Atrial Fibrillation. The GP will hear the latest in treatment options to be able to provide the information necessary to their patients for initial medical management and then the surgical options. The GP will know what to look for in their patients post-operatively across these specialties and diagnoses and understand when to refer back for follow up.
