We are delighted to announce that NSW Rural Doctors Network's Obstetrics Procedural Conference will be back face-to-face at the Crowne Plaza Coogee Beach in May and August (12 - 13)! Both events are identical and will feature a mix of lectures and interactive workshops. Topics include:

- Genetic screening
- Anomalies in fetal growth
- Difficult deliveries - instrument delivery/ caesarean
- Perineal repair
- Neonatal resuscitation
- The unwell neonate
- CTG's
- Mental health
- Gestational hypertension and diabetes

- Pre-eclampsia
- Obstetric emergencies
