

# 2023 Headache Masterclass for Primary Care

**WHEN** Saturday, March 25th 2023

9:00 AM - 4:30 PM

**WHERE** Online

**COST** Free

The Australia and New Zealand Headache Society invites general practitioners and primary care clinicians to attend the inaugural Headache Masterclass for Primary Care.

This one-day virtual Masterclass is designed for Australian general practitioners and primary care workers to provide a practical, real-world, guide to managing headache and migraine patients. Based around four inter-woven case studies, and facilitated by Dr. Anita Muñoz (GP/medical educator), leading local and international experts will be discussing:

- Their approaches to assessing headache in new patients
- The range of triggers that are known to cause headaches, and
- The latest pharmacological and non-pharmacological approaches to managing acute and chronic headache disorders

There will be plenty of opportunity throughout the Masterclass to have your questions answered by the panel of experts. This
