The theme for the Conference is: Riding the Waves of Change, Forging the Future: Nursing and Midwifery practice, research and education.

This conference provides a forum for Nursing and Midwifery clinicians, researchers and educators to share knowledge and celebrate experiences of innovative Nursing and Midwifery led projects relating to clinical care, education and research. Presentations and posters with cultural relevance and foci are welcome and encouraged.

The Conference will cover the topics of Resilience, Reflection and Recovery, Knowledge Translation, Quality and Safety and Innovative Healthcare.
