Allied Health professionals, practice staff and owners in the Allied Health sector, Allied Health students, and other clinicians interested in collaborative work within the Hunter, New England and Central Coast regions are invited to join us at Oaks Cypress Lakes Resort for the PHN's second Allied Health Conference which will be held on Thursday 9th May 2024. The event will be livestreamed for those unable to attend face-to-face.

A Business Accelerator Workshop will be held Friday, 10th May 9.00am -12.00pm. This is a face to face workshop.

Facilitated by Momentum Business Improvement this intensive session, designed specifically for

allied health business owners, will teach you the system and strategies to double your profits and will guide you, step-by-step through creating your 1-page Profit Powercell Plan.

If you would like to attend the workshop a fee of \$50 applies, on registration please select the Conference and Workshop ticket option.

Embrace the power of *Collaboration and Connection* at the #StrongerTogether conference, dedicated to fostering stronger links within the Allied Health community and the PHN. The conference topics will be beneficial to all health professionals working and students looking to enter the allied health space. Presentation themes include:

- Embracing the digital revolution
- Workforce for the future
- Innovation that makes a difference
- Building multidisciplinary teams
- Equity of access to primary health care services

Master of Ceremonies

We are delighted to share with you our Master of Ceremonies for the conference, Anna Moulder. Since graduating from Southern Cross University in 2003, Anna has cultivated a rich career and renowned as a highly accomplished radio broadcaster, presenter, MC, and event host. Anna has forged invaluable connections across diverse industries, spanning the Australian music industry, education, health, Government, and beyond.

Along with our presenters, discover the transformative impact of collaboration on patient care. Engage with peers, share insights, and explore innovative strategies that amplify our ability to make a difference in healthcare together.

Keynote Speakers

Christie Dawes – Para-Athlete

After competing internationally for more than two decades, wheelchair racer Christie Dawes has rightfully earned a reputation for being one of the fiercest competitors in the game. She first became eligible to compete in Paralympic sport as a 10-year-old, when – just 11 months after her dad had taken his own life – she became a paraplegic in a car accident.

Andrew Davison

Chief Allied Health Officer
Health System Strategy and Patient Experience, NSW Health
Presenting: The Allied Health landscape in the current and foreseeable future.

Jackie O'Connor
