

# Back Pain Management – Pain Medicine, Sports Medicine and Neurosurgery

**WHEN** Tuesday, February 21st 2023  
6:30 PM – 8:00 PM

**WHERE** Online

**COST** Free

The Northern Beaches Hospital and Healthscope present a free CPD webinar for general practitioners and other primary care clinicians.

Back Pain Management – Pain Medicine, Sports Medicine and Neurosurgery provides 1.5 CPD hours with the 2023 RACGP CPD Program.

In this CPD activity, GPs will learn from leading experts as they assess multiple aetiologies of pain from the lower back to the knee and consider the conservative and minimally invasive management options for a common presenting complaint.
