Given the urgency of rising healthcare issues amongst our Indigenous communities, AZK Media is partnering with Wolters Kluwer to run a FREE virtual event to help raise awareness, open up discussions and offer solutions around health equity. It's a wonderful chance for health professionals and PHN members to interact and ask timely questions to some of Australia and New Zealand's leading experts in Indigenous Healthcare.

Speakers:

Tuguy Esgin, Head of Clariti Indigenous

Sandy Gillies, Chief Executive Officer at Western Queensland Primary Health Network

Dr Silina Motofaga, Team Leader, Clinical Services Program, Public Health Division, Pacific Community

Nicole Turner, Chair of the Indigenous Allied Health Australia

Doug Benjamin, Primary Care Manager ANZ, Philippines & Vietnam, Clinical Effectiveness at Wolters Kluwer
