Welcome to our first Case Conferences workshop! Case Conferences are a great way to improve team communication and patient outcomes using a multidisciplinary team approach.

This workshop is suitable for Medical Practice Assistants, Nurses, Aboriginal Health Workers and Practitioners, Nurse Practitioners, Allied Health Practitioners, GPs and Practice Managers that are looking to improve Chronic Disease Management service delivery.

What we'll cover in the workshop:

What is a Multidisciplinary Case Conference?

Eligible patients

Case Conferencing Team

Getting started with case conferencing

Case Conferencing Process

MBS Item Numbers for GPs and Allied Health Practitioners

Case Studies
