

Central Coast Local Health District Psychology Department Professional Development Day

WHEN Thursday, November 17th 2022
9:00 AM - 4:30 PM

WHERE Australia

COST \$25 flat fee for all participants plus small booking fee

Registrations are OPEN for the annual Psychology Department Professional Development Day. This will be held at the auditorium at Gosford Hospital with a limit of 60 participants. The theme of the day is: "Psychology for Health and Wellbeing".

There will be presentations by Dr Chris Basten: "Adapting to chronic illness and injury - a cognitive psychology perspective" and Dr Jay Raman: "Obesity related eating behaviours: How can psychologists contribute?". Full event details can be found on the Event Brite link for the event.
