

Central Coast Regional Suicide Prevention Conference

WHEN Starts: Tuesday, May 4th 2021 at 5:30 PM
Ends: Wednesday, May 5th 2021 at 4:30 PM

WHERE Australia

COST Free

The Suicide Prevention conference brings together Australia's leading academics with a broad range of experienced clinicians, mental health professionals and persons with lived experience. The conference showcases practical strategies and solutions for suicide prevention applicable to general practitioners, mental health clinicians, educators and community leaders. This event is free for GP's who work in the Hunter New England & Central Coast Primary Health Network region.
