

COVID vaccination for pharmacists

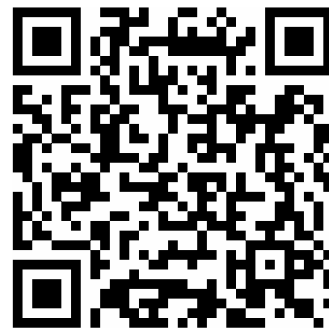

WHEN Wednesday, August 18th 2021
7:00 PM – 8:00 PM

WHERE Online

COST Free

This webinar will provide:

- an overview of the NSW Vaccination Standards and obligations pharmacist immunisers must meet to deliver AstraZeneca COVID-19 vaccination to their patients
- current advice from ATAGI on benefits and harms of AstraZeneca COVID-19 vaccination
- a practical approach to gaining informed consent, including how to discuss the benefits and risks of the AZ vaccine to patients and when to refer patients to medical practitioners
- opportunity to have your questions answered by our panel of pharmacist experts, medical specialists and general practitioners
