Program of Experience in the Palliative Approach (PEPA) aims to improve health professionals' knowledge, skills and confidence in the palliative approach to care for people with a life-limiting illness.

The workshops are interactive and provide ample time for discussion through case presentations and examples.

Topics covered include:

- What is the palliative approach;
- What is end of life
- What is Culture and how does it influence end of life care
- CaLD beliefs and values around death and dying
- Culturally appropriate communication skills
