

Curious Prescribing in Palliative Care: Top 5 Medications (for GPs and Pharmacists)

WHEN Tuesday, May 18th 2021
5:45 PM - 8:30 PM

WHERE Australia

COST Free

Program Objective: PEPA aims to improve health professionals' knowledge, skills and confidence in the palliative approach to care for people with a life-limiting illness. The workshops are interactive and provide ample time for discussion through case presentations and examples (some aspects of the program may change due to circumstances beyond our control). Target Audience: GPs and Pharmacists regardless of palliative care knowledge or experience. REGISTRATION is essential due to limited places.
