We're coming to Tamworth! We're running weekly support groups for Dads that are 100% free, male-friendly, non-judgemental, and completely confidential.

This event is about letting the community know we're here to share insights into the genuine issues faced by separated dads (especially about contact with kids and feelings of suicide) and how support can be provided. Also, more generally, men's support in the Tamworth area is issues around men's Health and Wellbeing.
