

Dealing with the Delta Strain – an Infection Control Update for Practices

WHEN Thursday, August 12th 2021
1:00 PM – 2:00 PM

WHERE Online

COST Free

Please join us for a presentation from our expert presenter, Margaret Jennings, Microbiologist and Infection Prevention & Control Educator, who will provide an update on the new COVID-19 Delta variant and infection prevention and control considerations for General Practices.

The session will discuss the following topics:

- How to wear a P2 mask
- Less cleaning more air
- Checking symptoms of patients & staff
- Waiting rooms
- Knowledge of infection prevention & control measures
