In order to accomodate for a wider scope of international guests, and allow us to put forward the best possible program for our members and wider community, ASLM's Diabetes Revolution online summit will now be taking place on 31 July 2021. Likewise, the free public summit will now be taking place on 1 August 2021.

A one of a kind international online summit – learn how to prescribe and support your patients or clients with these dietary approaches, along with other key elements of Lifestyle Medicine including promoting physical activity, reducing alcohol consumption, stopping smoking, improving sleep and reducing stress.
