

Diabetes Update Day Sydney 2022

WHEN Saturday, February 5th 2022
8:00 AM – 4:00 PM

WHERE Australia

COST \$125-150; fees partially subsidised by the NDSS

The National Diabetes Services Scheme (NDSS), Diabetes NSW & ACT and Diabetes Queensland are pleased to announce Diabetes Update Day for health professionals will be returning in 2022. Join more than 400 delegates and Australia's leading experts in diabetes to discuss the future of managing diabetes, preventing and treating complications, and clinical best practice.

Professional development hours will be available at this event.
