

# Diagnosing and managing skin cancer: The nurses' role

**WHEN** Tuesday, February 15th 2022  
1:00 PM – 2:00 PM

**WHERE** Online

**COST** Free

Melanoma Institute Australia invite you to register for their latest free nurse webinar, 'Diagnosing and managing skin cancer: The nurses' role'. MIA's Dermatology Nurse and Melanographer will cover the nurses' role in the diagnosis and management of melanoma, building confidence in skin checking and referrals, and exploring the use of photography.
