Join us to learn more from the Australian Digital Health Agency on how Provider Connect Australia™ (PCA™) will become the new way to update your healthcare service and practitioner information in one place. In this online webinar, guest speaker, Jai Wedel, will demonstrate how PCA™ can streamline the way you communicate your healthcare service updates to business partners. By the end of this webinar, attendees will be able to:

- State the key functions and benefits of PCA™
- Recognise how to navigate the PCA™ portal
- Identify recent enhancements, the future state and practical uses of PCA™
