

Eating disorders and AOD use: what clinicians need to know

WHEN Thursday, May 26th 2022
12:00 PM – 1:00 PM

WHERE Online

COST Free

Presented by: Associate Professor Sarah Maguire (Director, InsideOut Institute) By attending this webinar, attendees will learn: – How to recognise the most common eating disorder symptoms – Eating disorder interventions and how workers might deliver them – How workers may interpret those interventions in instances of co-occurring eating disorders and AOD use
