

Medicinal Cannabis: Keeping an open mind - Dr Tamara Nation

WHEN Wednesday, March 31st 2021
7:30 PM - 8:30 PM

WHERE Online

COST Free

The evening will cover:

Medicinal Cannabis – overview & evidence, Eligibility & prescribing process, Patient case studies, Q&A

Presenter: Dr Tamara Nation

Dr Tamara Nation, Melbourne GP, has undertaken extensive training in cannabinoid medicine both nationally and internationally and is a member of the Society of Cannabis Clinicians. She was an early adopter of medicinal cannabis therapy for patients in Australia. This has enabled her to provide experienced and considered care for patients seeking medicinal cannabis for a range of illnesses.

Co-presenter: Barb Fullerton, is the National Education Manager of Little Green Pharma, Australia's first producer and grower of medicinal cannabis. Barb will give an overview of the Australian
