Many health professionals want to access expert, up to date, independent information on COVID. Since the beginning of the pandemic Healthed has provided a free fortnightly webcast specifically to assist the health professional community and as a result it has become the most popular medical webcast series in Australia.

Healthed is Australia's leader in HCP education and engagement. Offering a variety of trusted and popular learning resources for health professionals, our content is delivered and endorsed by high-caliber national and international experts and is catered to a range of learning styles.

Featured Webcast Topic:

- COVID Update-Next Wave is Here, Vaccination News, Antivirals - A/Prof Paul Griffin
- Spirometry in General Practice - A Practical Guide - Dr Andrew Scroop
- Stroke Prevention and Management Update - Prof Bruce Campbell

- Digital Technology and Impact on the Developing Brain - Dr Rachael Sharman
