

# Hepatitis B Clinical Update for Nurses and Midwives

**WHEN** Thursday, June 15th 2023  
6:30 PM – 8:30 PM

**WHERE** Online

**COST** Free

ASHM is pleased to provide a new course for nurses and midwives that dives deep into core elements of hepatitis B management and care. This course will provide nursing and midwifery professionals with in-depth, practical and person-centred hepatitis B care information, with a different focus each session. Our topic for this course is new and future treatment developments.
