On behalf of the Hunter Postgraduate Medical Institute, I invite you to attend our 16th Annual Health Care Professionals' Conference and Exhibition held at NEX, Newcastle West on Saturday 3 and Sunday 4 August 2024.

Why not get your CPD hours locally at the HPMI Newcastle Weekend?

This year the theme is Mental Health. The Weekend will cover many aspects of mental health.

Don't worry if you feel an entire weekend on mental health is too much, we have other topics that you can attend.

The Plenary for the weekend will be held first thing Saturday morning on Treatment of Anxiety Disorders presented by Conjoint Associate Professor Lisa Lampe, Discipline of Psychiatry, University of Newcastle, and Staff Specialist Psychiatrist, Specialist Coordinator of Training, HNE RANZCP Psychiatry Training Program.
