

# IBD GP Aware Project: Awareness Webinar 1

**WHEN** Tuesday, September 21st 2021  
6:00 PM – 6:30 PM

**WHERE** Online

**COST** Free

Crohn's & Colitis Australia (CCA) secured funding from the Department of Health and has partnered with the Australian General Practice Limited (AGPAL) and the Gastroenterological Society of Australia (GESA) to co-develop the Inflammatory Bowel Disease (IBD) 'GP Aware' Project: <https://www.crohnsandcolitis.c...>

Please join us in this 30-minute awareness webinar where we will provide details about the Project, give an update on results thus far, highlight some of the key IBD guidelines and speak to the training which is to be released in the coming months.
