NSW Rural Doctors Network (RDN) would like to invite you to attend the Inaugural Rural GP VMO Medical Conference which will be held from Friday 1 - Saturday 2 July at The Quarry Restaurant in Cowra.

This conference is a two day education event aimed at addressing the specific educational needs of GP VMOs working in rural hospitals and general practice.

Topics covered are specific to those that need higher level monitoring or management in rural and district hospitals by GP VMOs, with information and advice coming from the specialists regularly referred to.
