

# Introducing MyMedicare: a webinar for consumers

**WHEN** Thursday, September 28th 2023  
12:30 PM – 1:30 PM

**WHERE** Online

**COST** Free

MyMedicare is a new voluntary patient registration model that aims to strengthen the relationship between patients, their GPs and primary care teams.

Initially, it will provide the most benefit to people who need access to longer telehealth services from their GP, aged care residents and people with chronic and complex health conditions.

Join CHF CEO Elizabeth Deveny and a senior Department of Health and Aged Care representative who will outline how the program will work. Questions can be submitted before the webinar via the registration form.

Attendees will also have the opportunity to attend a consumer workshop to take place after the webinar to provide feedback on the planned implementation.
