

Introduction to Child & Family Health Workshop

WHEN Monday, May 29th 2023
8:30 AM - 4:30 PM

WHERE Australia

COST \$400 for non members and \$350 for ACN members

The quality of early relationships and the environment in which a child is raised significantly affects their mental health and well-being. Using a strengths-based, family partnership approach, child and family healthcare professionals provide psychosocial and practical support and guidance to new parents while building capacity in their parenting skills. Australian College of Nursing is pleased to offer this face-to-face workshop will equip participants with core knowledge and skills required across a variety of healthcare settings to optimise health outcomes for children and their families.
