

Introduction to Spinal Cord Injury for clinicians PART 2: Psychosocial considerations

WHEN Wednesday, November 29th 2023
1:00 PM – 2:00 PM

WHERE Online

COST Free

The NSW Spinal Outreach Service is offering two Lunch'n'learn education sessions via Zoom, designed for clinicians, case managers, and NDIS Coordinators of Support who are looking to learn more about spinal cord injury (SCI). These sessions are an introduction to spinal cord injury and will cover the impact on a person's physical and psychosocial wellbeing. This session will explore psychosocial considerations after SCI.
