How do we get to immunisation business as usual while living with SARS-CoV-2? Join us for the first NCIRS webinar for 2022 and reflect on where we are and where we are headed as we move into the third year of the COVID-19 pandemic. Hear from our expert speakers on: - an update on Australian COVID-19 vaccine recommendations - COVID-19 and routine immunisation programs regionally and globally - what's needed - new COVID-19 vaccines - do we need to change our strategy in response to new variants?
