

Managing Chronic Kidney Disease in Primary Care

WHEN Wednesday, June 26th 2024
7:30 PM - 8:30 PM

WHERE Online

COST Free

Health Professionals, join Kidney Health Australia with Prof Shilpa Jesudason (Director of Dialysis) and Dr Jackie Yeoh (General Practitioner) as they deep dive into chapter 2 Managing CKD of the 5th edition Chronic Kidney Disease Management in Primary Care handbook. Together, they will navigate key management strategies utilising a case study that will illustrate best practice pharmacological management and AKI prevention for when an individual with CKD is sick or dehydrated, avoiding further damage to the kidneys.
