

Managing Multimorbidity Webinar Series 2023: Polypharmacy and deprescribing – how to proceed?

WHEN Wednesday, April 19th 2023
7:30 PM – 8:30 PM

WHERE Online

COST Free

Target audience: GPs, Nurses and Pharmacists

In this second webinar of the Multimorbidity Webinar Series 2023, join Dr Justin Coleman (GP, Inala Indigenous Health Service) and Prof. Mieke van Driel (Emeritus Professor, General Practice Clinical Unit, The University of Queensland) in a case-based discussion of multimorbidity with a focus on polypharmacy and a structured approach to deprescribing and represcribing in general practice.
