

Managing seasonal respiratory viruses: Influenza and SARS-CoV-2 in Winter 2022

WHEN Tuesday, April 5th 2022
12:00 PM - 1:30 PM

WHERE Online

COST Free

Join NCIRS for their annual influenza webinar and find out what you need to know for influenza and COVID-19 vaccination in 2022.

Hear from leading experts in the field on:

- ▶ the 2022 influenza vaccination program, including administration of influenza vaccines with COVID-19 vaccines and boosters
- ▶ influenza vaccination recommendations across the life-span, including for pregnant women, infants and children, and the elderly
- ▶ considerations for Aboriginal and Torres Strait Islander people and communities
