Expression of interest now open: 2023 Medical Receptionist Course locations Medical receptionists are the face of general practices. Working with doctors comes with great responsibility. How the support team performs has a huge impact on patient satisfaction, practice credibility and keeping patients and the team safe from adverse outcomes. RACGP NSW&ACT Faculty is seeking expressions of interests for locations to conduct our popular 2-day Medical Receptionist Course in 2023! Please complete an expression of interest survey using the following link:
