

# Menopause Education Webinar for Clinicians

**WHEN** Monday, September 25th 2023  
6:00 PM – 7:00 PM

**WHERE** Online

**COST** Free

A case-by-case guide to managing menopause presentations, including complex cases and special considerations. The online education sessions known as MenoECHO will include a short didactic presentation followed by discussion of 2 case studies. Sessions will cover topics with increasing complexity and will be guided by the feedback from attendees.
