

# MIA Nurse Webinar: Managing Immunotherapy Side Effects

**WHEN** Tuesday, February 14th 2023  
1:00 PM – 2:00 PM

**WHERE** Online

**COST** Free

Nurses are instrumental in ensuring immunotherapy is delivered safely to their patients. Managing toxicities, educating patients and ensuring patients receive the right care at the right time is crucial. In our latest webinar from the MIA Nurse Webinar Series, Medical Oncology CNC Kate Willis will explain the nurses' role in managing side effects, share her tips and talk through case studies for treating melanoma patients on immunotherapy. Learning outcomes: 1. Describe how immunotherapy works in treating melanoma. 2. Identify common toxicities to immunotherapy and how they should be managed.
