The Hepatitis B Prescriber Forum is a half-day forum designed for hepatitis B s100 prescribers that will cover current and relevant sector priorities and topics.

With expert panels and interactive case discussions, the 2024 Hepatitis B Prescriber Forum is an opportunity to dive deep into emerging areas of hepatitis B treatment and management and discuss the contemporary issues facing hepatitis B clinical care in Australia.

Submit and present a case study at the forum: Submit a 10-minute case study. By submitting and discussing a case, you can receive an additional HBV CPD point, totaling 3 CPD points to acquire all required CPD points for the year. Please send cases to [Skye.OHalloran@ashm.org.au](mailto:Skye.OHalloran@ashm.org.au) by Friday 1 March 2024.

Target Audience: Hepatitis B s100 GP and NP Prescribers, Sexual Health Registrars and Physicians, Infectious Diseases Trainees and Physicians, and medical practitioners who are interested in prescribing Hepatitis B s100 medication and managing patients living with hepatitis B.

At ASHM, we are committed to developing a sustainable HIV, viral hepatitis, and sexual health workforce. We pride ourselves on the ability to offer high quality educational opportunities, that are free to attend. If you are unable to attend one of our courses, please let us know as soon

as possible, high rates of non-attendance impacts ASHMs ability to continue providing free education. You can cancel your attendance by calling 0431 320 429 or emailing [education@ashm.org.au](mailto:education@ashm.org.au).
