

# National Safety and Quality Mental Health Standards for Community Managed Organisations

Scan for [more information](#)  
and [registration details](#)

**WHEN** Thursday, February 22nd 2024  
12:00 PM - 12:30 PM

**WHERE** Online

**COST** Free

Join this webinar to find out how the community sector can implement the National Safety and Quality Mental Health Standards for Community Managed Organisations (NSQMHC MO Standards). Accreditation to the Standards begins 1 July 2024.

The Australian Commission on Safety and Quality in Health Care is releasing a range of practical resources to support CMO service providers, consumers and carers, and accrediting agencies to implement the NSQMHC MO Standards. Hear more about how to implement the mental health standards for community managed organisations including:

Guidance for services, consumers and carers, and accrediting agencies

Next steps for accreditation and available support.

Find out what the Standards mean for consumers and carers.

Learn about new resources and fact sheets, including a Guide for

Service Providers.
