

# National Vaccine Forum 2022 – Reconnecting: Our Communities, Healthcare, and Beyond

**WHEN** Thursday, September 1st 2022  
6:00 PM – 9:00 PM

**WHERE** Online

**COST** Free

Each year, the National Vaccine Forum brings together Australia's primary healthcare professionals for a dynamic and engaging discussion on the current challenges and possibilities surrounding vaccines in Australia. This free, live, and accredited event will start at 6pm AEST on Thursday 1st September 2022 via ZOOM.
