

# NCIRS webinar: Managing seasonal respiratory viruses: Influenza and SARS-CoV-2 in Winter 2022

Scan for [more information](#) and [registration details](#)

**WHEN** Tuesday, April 5th 2022  
12:00 PM - 1:30 PM

**WHERE** Online

**COST** Free

Join us for our annual influenza webinar and learn what you need to know to be prepared for influenza and COVID-19 vaccination in 2022.

Hear from leading experts in the field on:

- the 2022 influenza vaccination program, including administration of influenza vaccines with COVID-19 vaccines and boosters
- influenza vaccination recommendations across the life-span, including pregnant women, infants and children, and the elderly
- considerations for Aboriginal and Torres Strait Islander people and communities
