

NSW Sexual & Reproductive Health in Primary Care

WHEN Starts: Saturday, April 13th 2024 at 9:30 AM
Ends: Saturday, April 20th 2024 at 12:30 PM

WHERE Online

COST Free

This two-part online course aims to provide practitioners with an overview of sexual and reproductive health care in general practice, covering sexual health, sexual history taking, STI screening, contraception and unintended pregnancy. This training also discusses how STI screening can be integrated into contraception and unintended pregnancy consultations.
