This workshop is for GPs and other primary care providers to enhance your confidence to respond safely and sensitively to disclosures of using domestic violence. GP-led, this session will cover how to consider the whole family when working with people who use violence and how to access appropriate referral pathways.

Presented by:

Deepthi Iyer – GP, Safer Families Centre, University of Melbourne, and
Stephen Walton – Team Leader, Men’s Domestic and Family Violence
Interventions, Education Centre Against Violence

GPs can attain 3 CPD points for attending this session and 2 CPD points for the e-learning module completed prior to attending. OR contact us to find out more about how to acquire 40 CPD points in this triennium or a similar activity applicable to the new triennium commencing 2023.
