In an environment of competing priorities, we often find ourselves lost in the day-to-day busyness, struggling to achieve our goals and priorities. Through a structured approach to planning and accountability, you can ensure your vision is successfully delivered. This practical, two-hour virtual workshop will support you as a leader to: Understand and apply strategies to articulate your vision and set the direction Improve alignment in your team through developing and cascading goals Understand the stages of planning and the tools to support successful execution Explore a model for building accountability and driving performance
