

Polycystic Kidney Disease: Diagnosis and Monitoring

WHEN Wednesday, June 15th 2022
7:30 PM - 8:30 PM

WHERE Online

COST Free

Join Kidney Health Australia and Polycystic Kidney Disease Australia for an interactive case study presented by nephrologist Prof Andrew Mallett who will discuss Autosomal Dominant Polycystic Kidney Disease (ADPKD). Who is at risk? What are the first line diagnostic tools? What are the management options for an individual with ADPKD? These are just some of questions that will be explored. RACGP CPDA 2 points for the hour pending approval. Activity # 334264
