

# Psychosis in Children

**WHEN** Tuesday, November 15th 2022  
6:00 PM - 7:00 PM

**WHERE** Online

**COST** Free

Please join us for an interactive session on Psychosis in Children for GPs to help identify and support and diagnose Psychosis in their child and adolescent patients and support their families.

Family distress will be addressed as well looking at framework for assessment and identifying factors contributing to compounding and predisposing conditions. This event is held in conjunction with CCLHD and specifically aimed at Central Coast GP's. Q and A will be available at the end of the session .
