7:00 PM – 8:30 PM

WHERE Online

COST Free

The Office of Responsible Gambling partners with the Royal Australian College of General Practitioners (RACGP) in developing training for General Practitioners (GPs). The Office will run a presentation on Gambling harm: comorbidities, treatment and referral for new fellows of RACGP on 22nd July 2021, at 7:00-8:30pm. The presentation will be via webinar. Participants will achieve CPD points for attending this webinar. Participants will learn how to: 1. Identify psychosocial factors and co-morbid psychological conditions 2. Provide psycho-education for problem gambling 3. Outline strategies for management and referral resources.
