

Resilience in the Health Sector: Workforce Management and Employee Wellbeing

WHEN Wednesday, July 27th 2022
12:00 PM – 1:00 PM

WHERE Online

COST Free

Join Dr Louise Schaper, CEO of the Australasian Institute of Digital Health alongside DXC Technology's Coppelia Rose and guests as they discuss what can be done in support of healthcare providers to develop individual and organisational resiliency. It's time to make employee well-being a core business process.
