Overcoming the challenges of recent times and now impacted by systemic staff shortages, workers are feeling overworked, stressed, and experiencing burnout. There has never been a greater need for a holistic approach to workforce management – from recruitment and onboarding through retention and succession.

Join Louise Schaper, CEO of the Australasian Institute of Digital Health, Bernadette Eather, Chief Nurse and Clinical Services Director for Ramsay Australia and Lee Ridoutt, Principal Consultant, Human Capital Alliance alongside DXC Technology's Coppelia Rose and guests as they discuss what can be done in support of healthcare providers to develop individual and organisational resiliency. It's time to make employee well-being a core business process.
